

Safe, Healthy & Vibrant Public Spaces (SVHPS)

1. Project Name:

Healthy Cities for Adolescents (HCA) Phase-II – Safe, Healthy & Vibrant Public Spaces (SVHPS)

2. Location:

Bhubaneswar, Odisha.

3. Brief about programme:

The focus of the programme is on engaging and involving adolescents in making safe and inclusive public spaces through participation and tactical urbanism. The activities of the programme include outreach activities, capacity building workshops, public space audits (PSA), gender safety audits, and leadership development workshops. The adolescents are actively involved in identifying issues related to public spaces and proposing solutions through cluster and federation-level platforms. The programme is also aimed at engaging adolescents in urban governance through dialogue with city stakeholders and making public infrastructure adolescent friendly.
